

Appendix A: State Contacts

The following list consists of contacts in key states through which foreign research reactor spent fuel will pass. A complete listing of contacts for all 50 states and the District of Columbia is available from the Conference of Radiation Control Program Directors (CRCPD). To order a copy of *Directory of State Agencies Involved with the Transportation of Radioactive Materials* (CRCPD Publication 97-2, October 1997), call CRCPD at 502-227-4543 or use the online CRCPD publications order form at <http://www.crcpd.org>.

Appendix B: Additional Information Resources

Key Documents Related to the Foreign Research Reactor Spent Fuel Program

U.S. Department of Energy. *Final Environmental Impact Statement: Proposed Nuclear Weapons Nonproliferation Policy Concerning Foreign Research Reactor Spent Nuclear Fuel* (Washington, D.C., 1996, DOE/EIS-0218F).

U.S. Department of Energy. *Record of Decision on a Nuclear Weapons Nonproliferation Policy Concerning Foreign Research Reactor Spent Nuclear Fuel* (Washington, D.C., 1996).

U.S. Department of Energy. *Programmatic Spent Nuclear Fuel Management and Idaho National Engineering Laboratory Environmental Restoration and Waste Management Plans* (Washington, D.C., 1995, DOE/EIS-0203-F).

The first two documents listed above (the final environmental impact statement and the record of decision) are available from the U.S. Department of Energy's Center for Environmental Management Information:

P.O. Box 23769
Washington, DC 20026-3769
Phone: 800-736-3282 (in Washington, D.C., 202-863-5084)
Fax: 202-554-3267

The third document (the programmatic spent nuclear fuel management plan) is available for review at Department of Energy reading rooms and libraries (see appendix C for a listing of reading rooms and libraries).
